

Book Review Presentation 30th January 2025

Book review presentation the best practice we follow is motivating students and it has influenced our staff in bringing their children for presenting book review in library. Teachers play an important role in motivating their students to revive their reading habits. This practice has shown a boost in self confidence among students during presentation and they are taking keen interest in recommending books and reading as well. Ten year old Ms. Riza Qamar Syed daughter of our college SFC Office Superintendent gave a praiseworthy presentation on the book “The power of your subconscious mind”. She was presented with token of appreciation for her initiative by the Principal and Librarian. The presentation was judged by Ms. Shabnam Shaikh of English Department.
