Audience: Students: 33, Staff: 09

The first book review presentation of this academic year saw many students participating with enthusiasm. Book review presentation, is the best practice followed by Library to motivate students and teachers to borrow library books, increase their reading activity and promote reading culture. Teachers play an important role in motivating their students to revive their reading habits. This practice has shown a boost in self confidence among students during presentation and they are taking keen interest in recommending books to boost the quality of library collection. Dr. Preeti Bambolkar, Professor, English department judged the presentations and gave valuable inputs to improve their presentations.
